

Name

Frost Aluminium Balcony outlet, aluminium grating and clamping ring, small sump body, vertical 200mm spigot outlet 100mm dia

Code

34.0441

Description

Frost Balcony outlet with aluminium grating and small sump body and fixed vertical 200mm spigot outlet 100mm dia.

Balcony outlets are supplied complete with membrane clamp, allowing the grating to be removed for maintenance purposes without disturbing the membrane.

For use on balconies with an asphalt finish, the grating is designed to allow a rainwater downpipe from the balcony above to be fitted into the body, eliminating spillage onto the walkway.
